Wednesday, October 29th
PAJAMA DANCE PARTY
Saturday, November 8th
WINTER WONDERLAND FROM
Saturday, November 22nd
END-OF-SEMESTER BANQUET
Thursday, December 4th

LASER TAG!
On Thursday night, BRIDGE took over Ultrazone’s laser tag arena with over sixty students. Participants were divided into two sections of three teams and took turns battling for the title of BRIDGE champions. With pink, blue, and green lights indicating what team the students belonged to, they were released into the multilevel arena to see who would be the champion. Each student got to play three rounds of fifteen minutes. There were lots of laughs and friendly wagers. It was a fun night that all the students will remember as part of their BRIDGE experience.

BRIDGE Partner Spotlight

Name: Karol Zawadzki
Year: Exchange Master’s Level Student
Major: Management and Marketing
Hometown: Ostrołęka, Poland

Hey BRIDGEERS, I am Karol and I am from Poland. I grew up in a medium-sized city, called Ostrołęka (near the Mazuria region) but for the last five years I have been studying and living in Warsaw, the capital city of Poland.

In Poland, I am a Masters student, but here at UW I take both undergrad and grad courses. I used to be an active member of an Independent Student Association in Poland, where I was mainly responsible for managing sports events, like the Warsaw Paintball League or the Warsaw Karting League. I also worked for the Renault Poland Company for a year in its marketing department. During my time of studies, I did a semester in Lisbon, Portugal. The exchange program was a great international experience for me. Being in Lisbon, I met some students from the U.S. and since then, my dream was to do at least a semester in the U.S. I really wanted to explore the culture, meet the people and study in a real American college! So now I am living my dream!

I am in BRIDGE because I think it is a great opportunity to make both international and American friends, to get to know peoples’ interests, cultures, experiences and languages. As we know, each one has his/her unique story, which is worth listening to. Moreover, now I am sure, that I would miss a great part of Madison experience without being in BRIDGE and I am looking forward to the wonderful semester ahead of us! Have a great semester and I look forward to knowing you all!
